Consequent upon the Pay and Pension Revision Orders of 2004, 3 separate sets of DA mergers are in existence simultaneously; (i) those whose salaries and pensions have been revised after merging DA/DR at 59% to whom only the balance DA is payable, (ii) those for whom DA at 50% has been converted as Dearness Pay who are entitled to the balance DA and finally (iii) those in whose case no DA/DR merger has taken place. There is every likelihood of confusion as to which of those have been released at what time. Hence, for easy understanding, a summary of the release of DA/DR to various categories of employees and pensioners is attached as Annexure to this order.
