**ORDER**

The Managing Director, Kerala Water Authority has reported that with the implementation of the computer software such as DDFS, PRICE, MARCH, O & M Portal etc., the work load of Typists has been considerably reduced and it is found that there are 52 redundant posts of Lower Division Typists existing in Kerala Water Authority at present. These posts have not been reported to the Kerala public Service Commission. The M.D has requested Govt to take appropriate action in this regard.

2. Government have examined the matter in detail. Govt have already initiated steps for restructuring the Kerala Water Authority by reducing the unnecessary expenditure, on account of the financial constraints now being experienced and found that these 52 posts of Typist are no more are required in Kerala Water Authority. It is imperative that avoidable posts, duties of which can be discharged by automation are not

maintained in the payroll during general financial crunch due to disasters/pandemics.

3. Under the circumstance Govt. order that the 52 posts of Lower Division Typist in Kerala Water Authority be abolished with immediate effect.
