Sir

Sub:- KWA-ESTT-Cancellation of Working arrangements under KWA offices-
direction-Reg:-

It is learnt that working arrangements have been sanctioned in the various level offices of KWA as per the personal convenience and the will and wish of a few people. Since several complaints are there regarding this and also this has affected the smooth functioning of offices, it is decided to cancel all the existing working arrangements and also informs that no working arrangements shall be sanctioned until further orders.

All the Region/Circle/Division level officers are requested to cancel all the working arrangements under their control immediately and also give necessary instructions to the lower level offices in this regard. The report regarding the cancellation of working arrangements should be submitted to the Head Office immediately.

Yours faithfully,

Sudheer T.S
Chief Engineer (HRD&GL)
(For The Managing Director)
