**ORDER**

As per the Judgment of Hon'ble High Court of Kerala dated 04.04.2019 in WP© No. 23062/2018 government of Kerala directed Kerala Water Authority to maintain ratio between Meter Reader and Meter Inspector categories within the cadre strength. The board of Kerala Water Authority considered the matter and resolved to convert 29 posts of Meter Readers as Meter Inspectors. The same had ordered vide this office order even no dated 05.10.2020.

Kerala Water Authority is a unique state wide public sector establishment in drinking water sector with the aid of government. Jal Jeevan Mission (JJM) has been launched by Government of India which aims at providing Functional Household Tap Connection (FHTC) to every rural household by 2024, in collaboration with State Governments on a 50:50 cost sharing basis. This will increase the responsibility of KWA in drinking water sector of rural areas.

State has ordered stringent financial control measures owing to the outbreak of Covid-19 pandemic and consequent lockdown. Hence it is required to strengthen revenue collection of authority. For the effective strengthening of revenue collection, it is necessary to rearrange existing staff pattern to strengthen section offices. The following transfers and shifting of Meter Readers are ordered herewith for ensuring sufficient staffs are available at the cutting edge level to increase revenue collection.

**ORDER**

As per the Judgment of Hon'ble High Court of Kerala dated 04.04.2019 in WP© No. 23062/2018 government of Kerala directed Kerala Water Authority to maintain ratio between Meter Reader and Meter Inspector categories within the cadre strength. The board of Kerala Water Authority considered the matter and resolved to convert 29 posts of Meter Readers as Meter Inspectors. The same had ordered vide this office order even no dated 05.10.2020

Kerala Water Authority is a unique state wide public sector establishment in drinking water sector with the aid of government. Jal Jeevan Mission (JJM) has been launched by Government of India which aims at providing Functional Household Tap Connection (FHTC) to every rural household by 2024, in collaboration with State Governments on a 50:50 cost sharing basis. This will increase the responsibility of KWA in drinking water sector of rural areas.

State has ordered stringent financial control measures owing to the outbreak of Covid-19 pandemic and consequent lockdown. Hence it is required to strengthen revenue collection of authority. For the effective strengthening of revenue collection, it is necessary to rearrange existing staff pattern to strengthen section offices.

The following promotion, transfer and shifting of Meter Inspectors are ordered herewith for ensuring sufficient staffs are available at the cutting edge level to increase revenue collection.
