(This does not form part of the notification, but is intended to indicate its general purport.)

The Government, as per notification issued under G.O.(P) No.12/2017/P&ARD. dated 29th December, 2017 and published as S.R.O.No.861/2017 in the Kerala Gazette Extraordinary No.2888 dated 29th December, 2017 issued the Kerala Administrative Service (KAS) Rules, 2018. The State Legislature while considering the said rules, approved certain amendments moved by the Hon’ble Members. Accordingly, amendments are made as proposed by the State Legislature. In the above said rules, general rules of reservation was not made applicable to STREAM 2 and STREAM 3 of the Kerala Administrative Service. The Government has now decided to provide reservation for STREAM 2 and STREAM 3 of the Kerala Administrative Service. Reservation was also not made applicable to Physically Challenged Persons in the said rules and no age relaxation was allowed to eligible categories for selection to Kerala Administrative Service. The Government have now decided to provide reservation for appointments by direct recruitment to Kerala Administrative Service for differently abled persons under the Rights of Persons with Disabilities Act, 2016 (Central Act 49 of 2016) and to

allow age relaxation to eligible categories as provided in General Rules and Government orders. Kerala Public Service Commission has suggested modification regarding the scheme of examination in the rules along with certain other modifications. The Government have decided to substitute the words 'by Direct Recruitment' for the words 'By Transfer appointment' and 'By Transfer Recruitment' in the said rules. As the posts of Administrative Officer, District Educational Officer and Financial Assistant set apart for direct recruitment are included in Kerala Administrative Service, the Government have decided to make suitable amendments in the said rules. The Government have also decided to exclude some posts inadvertently included in the Kerala Administrative Service Rules.

The notification is intended to achieve the above object.
